PROFESSIONAL SUMMARY

Educator and Assistant Professor with 15+ years of experience in Computer Applications, specializing in industry-aligned teaching, corporate-ready curriculum delivery, and student mentoring. Strong exposure to industry–academia collaboration, hands-on technical training, and technology-enabled learning. Actively involved in Infosys Campus Connect, FDPs, and outcome-based education practices. Adept at training learners in programming, software engineering fundamentals, and emerging technologies with a strong focus on employability and problem-solving skills.

CORE COMPETENCIES

- Programming Fundamentals: C, Java, C#, Data Structures, Algorithms
- Software Engineering & OOP Concepts
- Web & Application Development: ASP.NET, PHP, MySQL
- Emerging Technologies: AI, Machine Learning, Deep Learning (Foundational Exposure)
- Training & Curriculum Design (OBE, Bloom's Taxonomy)
- LMS & Digital Platforms: Coursera, NPTEL, Microsoft Learn
- Academic Leadership & Student Mentoring
- Industry–Academia Collaboration Programs

PROFESSIONAL EXPERIENCE

Assistant Professor – MCA

J N N College of Engineering, Shivamogga

September 2014 – Present

- Delivered **industry-oriented technical training** to PG students in programming, software engineering, and core computer science subjects.

- Guided **real-time and application-based projects** aligned with industry problem statements.
- Actively involved in **Infosys Campus Connect** and similar industry-academia initiatives.
- Coordinated **major projects, seminars, internships, and placement-oriented activities**.
- Served as **Admission Coordinator (MCA Programme – 2025–26)**.
- Class In-charge for First Semester MCA students.
- Contributed to **NAAC / accreditation processes** and academic audits.
- Planned and organized **FDPs, workshops, guest lectures, and training programs**.

Assistant Professor – MCA

Srinivas Institute of Technology, Mangaluru

August 2010 – September 2014

- Delivered foundational and advanced computer science courses.
- Mentored students on academic projects and employability skills.
- Supported departmental academic and industry interaction activities.

EDUCATION & RESEARCH

- **PhD in Computer Science / Computer Applications (Pursuing)**
Visvesvaraya Technological University (VTU), Belagavi
Course work completed
- **Master of Computer Applications (MCA)**
Visvesvaraya Technological University, 2010
- **Bachelor of Science (EMCs)**
Kuvempu University, 2007

SELECTED CERTIFICATIONS & TRAINING

- Microsoft Innovative Educator & Trainer
- IITBombayX – Data Structures & Algorithms (CS213 Series)
- ATAL–AICTE FDPs on AI, Deep Learning, Smart Cities

- Foundational Artificial Intelligence – SSC NASSCOM
- Infosys Inspire Faculty Contest (Hands-on)
- Wipro Mission 10X – Engineering Faculty Program
- Coursera for Campus Coordinator (MCA/MBA)

ACADEMIA–INDUSTRY PROGRAMS

- Infosys – Campus Connect Program
- Wipro – Mission 10X
- Google – Android Developers Program
- Google Cloud Computing Foundations Study Jam

PROJECT GUIDANCE (SELECTED)

- Music Generation using Deep Learning
- Real-Time Gesture Recognition using OpenCV
- Machine Learning Techniques for Diabetes Prediction
- Online Academic Portals using PHP & MySQL
- Enterprise Applications using ASP.NET & SQL Server

PUBLICATIONS

- Bitcoin Mining – A Case Study, JNNCE Journal of Engineering & Management
- Survey on Search Engine Optimization Tools & Techniques, IJIR
- Comparative Study on AQM Mechanisms for Congestion Control, IJEEI

TRAINING & RESOURCE PERSON EXPERIENCE

- Resource Person for AICTE/ISTE Refresher Programs
- Delivered expert talks on e-Learning Platforms, Tech Tools for Assessment, and PGCET Training
- Conducted FDP sessions on formative assessment tools and digital pedagogy

ADDITIONAL ROLES

- Coursera for Campus Coordinator (MCA/MBA)
- Department Coordinator – Training & Placement Activities
- Project, Seminar & Internship Coordinator

Declaration: The above information is true to the best of my knowledge.

(Prashant Ankalkoti)
